FORMAT

Shows 1 & 2 - Saturday
Shows 3 & 4 - Sunday

Group Selection: Groups will be judged immediately after completion of the breed competition. One judge will be used for Group selections. The groups will be judged in this order: Puppy Group, Bred-by Puppy Group, Adult Group, Bred-by Adult Group. The Best In Show will be selected in the following order: Bred-by Puppy, Bred-by Adult, Best Puppy and Best In Show. Best Veteran In Show and Best Bred-by Veteran will be selected from the Veteran Breed winners, with no group competition.

Best Bred-by In Show Rules: In every show, in addition to the regular Best In Show selections there will be chosen Best In Show Bred-by Exhibitor in all categories. (Adult, Puppy and Veteran). The regular Best In Show is open to all dogs entered in that show (no additional entry fee). Breeder Exhibitors wishing to also enter the Best Bred-by in Show competition must pay an additional fee of $5.00. (They will be eligible for two Best In Shows, hence the additional fee). The exhibitor must be the breeder of record on the dog, but does not have to own it. The breeder of the dog does not have to handle the dog at the class level, unless entered in a bred-by class. The breeder must handle the dog in the Best Bred-by competition. After regular classes, a best of breed, and best of breed bred-by will be chosen. At this time the breeder must handle the dog. If the breeder-exhibitor needs assistance (due to a medical reason), an assistant in the ring will be allowed to run/old the dog, but the breeder must present the dog for examination. To enter the Best Bred-by Competition: Mark Best Bred-by or BBX in the additional class space.

Gold Cup: Gold Cup Series is open to Dogs entered in Ehren Champion and higher classes in Show #3. To compete in the Gold Cup Best in Show the eligible dogs must earn a V-1 rating in show #3.

Best Rare Breed In Show: Sunday show 3 only. Open to all rare breeds entered into show #3 only. The Best of Breed puppy and Best of Breed adult winners will automatically qualify. Rare breed is defined as: any breed not able to show in AKC regular classes (those dogs in AKC Misc. Class will be eligible for Rare Breed competition). Additionally, the breed must be recognized by IABCA.

Best Veteran in Show: Winners of the Best of Breed Veteran in each breed will compete for BIS Veteran. There is no group competition for Vets. All BOB Vets go to the Best Veteran in Show Competition.

Thank you to all exhibitors for your support. Enjoy the Show!
• **International Titles in the United States?**
  - Yes, it is possible to earn an International Title in the United States. The dogs are rated individually, not against the other dogs, so the judges travel instead of the dogs.

• **Written Critiques from the Judge?**
  - Yes, you will receive a full written critique when you leave the ring.

• **IABCA - International All Breed Canine Association, Inc.**
  - The International All Breed Canine Association of America (IABCA) began more than twenty years ago with the intent of making an International Championship Title available to the American public while not exposing the dogs to the danger and inconvenience of international travel.
  - International Dog Shows are held in accordance with the regulations and guidelines that have been established by IABCA. These guidelines provide for a WRITTEN CRITIQUE FOR EACH DOG ENTERED and a rating number of how well the dog conforms to the breed standards. These standards are based on the 'country of origin' for each breed, if possible.

• **Who Shows At International Shows?**
  - The typical entry at an IABCA International Show is an AKC recognized breed (around 80% of the entry is made up of these breeds.) The number of Rare Breeds showing is growing each year. The overall quality of the dogs is quite high, with many of the dogs already Champions of Record. The majority of the dogs are owner handled, but professional handling is allowed. Breeder/Owner handling is recognized with the Best Bred-by Exhibitor in Show Award. Long time IABCA exhibitors are recognized by our new Gold Cup Series, where dogs of Ehren Champion ranking or higher are able to compete for BIS Gold Cup. Seasoned exhibitors enjoy having an additional venue to show their quality dogs and earn additional titles “International”. The shows are also, good for the novice exhibitor, providing an opportunity to “show” their dogs in a relaxed atmosphere, within a learning environment. A primary focus of the IABCA shows is education and a sharing of knowledge, between the exhibitors and the judges. Many exhibitors enjoy the shows because of the relaxed atmosphere of a small show where every exhibit has a ‘good look’ due to the written critiques. The International shows have a social atmosphere of a day out with your dog. The judges enjoy the shows because they can take the time to talk to each exhibitor without time limits.
Have you ever wondered what the judge was thinking in the ring? Attend an International (European style) Show and find out!

Important reminder: It is not a requirement that a dog be registered with IABCA to be exhibited at a International Dog Show. However, in order for any certificates awarded to be applicable towards an IABCA title THE DOG MUST BE REGISTERED WITH IABCA WITHIN 40 DAYS AFTER THE SHOW DATE.

What is Gold Cup?

Our Gold Cup Series is how we reward our exhibitors (and dogs) that continue to enter our shows. Entry into Gold Cup is automatic for those who qualify.

How do you qualify?

First of all, Gold Cup is based on the results for Show #3 only, and takes place just before Best In Show for Show #3. There are two things you need to qualify.

1) The dog must be entered in the *Ehren Champion* class or higher for Show #3.
2) The dog must receive a V-1 rating for Show #3.

To be in the Ehren Champion class, the dog must have earned and applied for 3 titles (the International Title, the National Title, and the Ehren Champion title). That's a total of 9 points (orange cards) earned before you enter Show #3. For more information on titles and classes, check out our Classes page in this catalog.

Regular Entries Close September 24, 2011

Regular class judging will start at 8:30 a.m. for all shows. These shows will be held in accordance with the rules and regulations of the International All Breed Canine Association of America, Inc. This is an unbenched show. Dogs need only be present for the judging of their breed. Dogs not needed for further judging may be excused. All dogs will receive a written critique upon completion of the class. Dogs are first judged against the breed standard, then against the class. Two Groups may be judged at the same time.

Panel of two or more Judges will select the Best In Show Winner.

Jr Showmanship entrants will receive a written critique and a medallion. Jr. Showmanship is held around the lunch hour on Sunday and is open to all levels age Six to Eighteen. The Junior must exercise control over the dog. Day of show entries for Junior are welcome. Check in at the front desk by 10:30 a.m. on Sunday.

These shows will be held outdoors.

Additional Rules & Entry Information

Fees must accompany entries. This club assumes no responsibility for wrong or incomplete information given on the entry blank by the owner or agent.

Entry fees will not be refunded if a dog is absent, disqualified, sick, lame, excused by veterinarian or judge, or because it has been entered incorrectly. There is no refund of the entry fee for bitches in season; they are eligible to be shown.

Declination of entries. The club may decline any entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness or other causes and no one shall have any claim or recourse against the club or any official thereof.

If, because of terrorism, riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or complete the show, no refunds will be made.

Rude or obnoxious behavior, and foul language toward judges, Show Committee, exhibitors, attendees will not be permitted. The person will be banned from the grounds, and no refund will be made.

The welfare of an Exhibitor’s child is assumed to be the responsibility of the Exhibitor. It is understood that Exhibitors will exercise control and restraint over their children at all times.

Acknowledgment of Entry and a judging schedule will be sent after entries close to the address on the entry. If you do not receive it within a reasonable time please notify International Dog Show at (503) 316-9860.

Judging

Judging will start promptly. Times scheduled for breeds are approximate. Because the time necessary to prepare the critiques and appropriate paperwork is an unknown variable with each individual judge, breeds may be judged at a later time than scheduled.

It is the responsibility of the exhibitor to have his dog ready to be shown and at the entrance of the judging ring when the steward calls for the class. Every reasonable effort will be made by the ring steward to locate an absent dog at judging time, but ultimately it is the owners responsibility to make certain the dog is present for judging.

The club reserves the right to add or change judges as necessary.

Loss Or Damage

OR INTERNATIONAL DOG SHOWS OR ANY OF THEIR OFFICERS OR MEMBERS ARE NOT RESPONSIBLE FOR THE LOSS OF, DAMAGE TO, OR DEATH OF ANY PERSON ATTENDING OR DOG EXHIBITED, OR FOR THE POSSESSIONS OF ANY PARTICIPANT, WHETHER THE RESULT OF ACCIDENT OR ANY OTHER CAUSE. AGREEMENT

I (we) acknowledge that the “Rules Applying to Registration and Dog Show” have been made available to me (us), and that I am (we) familiar with their contents. I (we) agree that the club holding this show has the right to refuse this entry for cause which the club shall deem to be sufficient. In consideration of the acceptance of this entry and of the holding of the show and of the opportunity to have the dog judged and to win prize money, ribbons, or trophies. I (we) agree to hold IABCA, INC., IABCA, International Dog Shows, their members, directors, governors, officers, agents, superintendents or show secretary and the owner or lessor of the premises and any employees of the aforementioned parties, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog, or the showing of it, while in or upon the show premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim, and I (we) further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, theft, damage, or injury be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. It is also noted that the ground in and around the rings and show site may be uneven and/or slick or otherwise hazardous, please use caution as you agree by your participation that the afore mentioned parties are not liable for any injury.

I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting there from, sustained by any person or persons, including myself (ourselves), or on account of damage to property, arising out of or in consequence of my (our) participation in this show, howsoever such injuries, death or damage to property may be caused and whether or not the same may have been caused and whether or not the same may have alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

SEE ADDITIONAL RULES IN PREMIUM INSTRUCTIONS

1. (VARIETY) if you are entering a dog of a breed in which there are varieties for show purposes, please designate the particular variety you are entering. i.e. Beagles (not exceeding 13 in., over 13 in.), Dachshunds (long-haired, smooth, wire-haired, standard, miniature), Collies (rough, smooth), Bull Terriers (colored, white), Manchester Terriers (standard, toy), Chihuahua (smooth coat, long coat), English Toy Spaniels (King Charles and Ruby, Bichon and Prince Charles), American Eskimos (miniature, standard), Xoloitzcuintles (miniature, standard).

2. (Dog Show Class) consult the classification listing in the premium. The dog must be of the proper age to enter the class (no “puppies” in offene/open class).

3. A dog must be entered in the name of the person who actually owned it at the time entries for a show closed. If a registered dog has been acquired by a new owner, it must be entered in the name of its new owner in any show for which entries closed after the date of acquisition, regardless of whether the new owner had received the registration certificate indicating that the dog is recorded in his name.
**TITLE REQUIREMENTS**

The title requirements listed below are set forth and awarded by International All Breed Canine Association of America (IABCA).

**PUPPY/YOUTH TITLES**

The requirements for puppy/youth Titles are different than that of the adult dog Titles. The puppies must earn three certificates in order to receive the (appropriate for age) National Title. If the puppy receives one additional certificate (appropriate for age), the puppy may apply for the International Puppy/Youth Title (appropriate for age).

**ADULT TITLES**

PLEASE NOTE: All levels of Championship Titles require THREE award certificate cards (Orange Cards) of the appropriate rating for the Titles to be issued.

- It is possible to complete the International Title before completing the National. If an adult dog enters all three days of shows, and does well (V-1) all three days, the International Title will be earned. (The club assures the proper mix of three different judges, from at least two countries to all who enter the three days.)
- Title Fees: $40.00adult/$25.00puppy.
- NATIONAL CHAMPIONSHIP - A National Championship title is achieved after receiving three (V-2) "NatCH" certificates.
- INTERNATIONAL CHAMPIONSHIP - An IABCA International Championship title is achieved after receiving three "IABCA Award Certificate" from an IABCA International Dog Show. These certificates must be awarded by three different judges, with at least two of the judges licensed in different countries. (for example: 2 Americans & 1 Canadian)
- CHAMPIONKLASE - Having received either a National or International Championship a dog will be entered into this class in order to finish receiving the necessary NatCH or IntCH to have both championships, thereby, qualifying it for entry into the next higher class (Ehren Class).

After receiving both National and International Adult Championships a dog may move up and compete for additional (higher) championship titles. Also, note that the necessary certificates for a particular championship must be filed with IABCA before entering the next highest class. See List of Klassen/classes)

Following is a list of Championat titles in progressive order. Next to the name of the Championat title is a list of the proper "IABCA Award Certificate (orange card) required to qualify for that title. (Remember it takes three certificates of the proper award (as listed) in order to qualify for each Championat).

- The day of the show you will check-in at the chairman's table and pick up a folder and arm band.
